Norma's 4 Pawss Pet Hotel offers deluxe accommodations for the canine and feline members of your family. **Luxury Suites** for dogs, **Classic Suites** & one **Presidential Suite** for cats and 3 exquisite **Royal Suites**.

The Royal Suites are furnished with a T.V. and bed for the very pampered pooch. Also these Suites are ideal for a dog and cat that are accustomed to living together in the same household.

Our hotel offers your pet all the comforts of home. Let us pamper your pet with accommodation in a loving, caring, clean, heated/air-conditioned and spacious surrounding.

Because we wish all pets left in our care to be healthy and happy, we do require that your pet has had the following vaccinations:

**DOGS – rabies, distemper and canine cough/bordetella**

(Please note, many veterinarians administer the Bordetella vaccination only by request)

**CATS – rabies, FVRCP, (Feline Leukemia is recommended but not required)**

Please present your pet's vaccination certificate upon registration.

*All dogs & cats that have reached **maturity** must be **spayed or neutered**.*

To secure a reservation, a deposit must be paid to the Hotel (deposit will be returned if the reservation is cancelled at least 10 days before the arrival date).

We charge for boarding like any hotel charges for a room.

You are charged for the day your pet arrives and for every subsequent day your pet is here after our **11:00 a.m. checkout time**. (After 11:00 a.m. a Day Boarding rate will apply).

Please note **Day Boarding is available** Mon, Tues. and Wed from 8 a.m. – 5 p.m. and Fri., Sat. and Sun. 8 a.m. – 4 p.m.)

- It is always advisable to bring cats into the hotel in a pet carrier.
- You may bring one or two toys for your pet as well as a dog bed or blanket but whenever possible they should be clearly labeled with your pet's name.
- Please bring enough food (clearly labeled with your pet's name) for their stay as it is usually best to adhere to your pet's home diet.

It is usually better for you to leave your dog in the hotel office rather than allowing you to place your dog in his room. This is done so that your dog will see you leave and will realize that you have entrusted him or her to the care of the hotel staff. It also eliminates the possibility of your dog getting the erroneous impression that you are placing him in a room to guard it.

When you register you will be asked to complete a registration form indicating the following information – name, address and phone number of veterinarian, along with a medical summary of any problems your pet may have. If necessary you should bring enough medication for the duration of your pet's stay. (Administration of prescription medications - \$1.50 per pill and \$3.00 per needle.)
